

## **TRANSASIA Shipping services**

TransAsia Line is a division of TransAsia Shipping Services Group (tassgroup), a group of companies committed to developing and executing services with high value to its customers, employees and to society as a whole.

Founded in 1992, TransAsian Shipping Services (Private) Ltd, is the flagship company, based in Cochin, India and has been operational since 1993.

In keeping with the commitment and vision of the group, large investments in terms of the purchase of sea-going vessels and marine hardware, coupled with state of the art computing capabilities are continuously and rigorously pursued.

The group's vision is to become a world class, one-stop shipping solution provider, which is vigorously pursued with recruiting the best talent in the industry and continuous investment.

TransAsian Shipping Services Group is actively engaged in diversified activities with the core business being shipping and shipping-related interests, comprising the following activities:

### Liner Operations

Liner operations commenced in 2003 from the Indian sub-continent, Far East, South and South East Asia to the Middle East, Arabian Gulf and Iran.

Services currently include scheduled Full Container Load (FCL) and FCL container services to and from:

- All ports in the Republic of India
- UAE: Dubai/Jebel Ali
- Saudi Arabia: Dammam/Riyadh
- Kuwait
- Iran: Bandar Abbas
- Oman: Muscat
- Pakistan: Karachi
- Sri Lanka: Colombo
- Singapore
- Malaysia: Port Kelang
- China: Shanghai, Ningbo, Shenzhen

## **Ship Owning and Chartering**

TAL acquired a 576 teus Roll on-Roll off boxer class container ship, renamed as MV Kripa and registered and flagged in India. The group is actively pursuing the purchase of additional sea-going ships to expand their fleet (ie the recent purchase of the MV Kanivu).

Liner and Tramp Agency

Container Leasing Company Agency

Appointed as all India agents for Container Application International USA – a leading marine container leasing company, established since 1999.

## **Other business activities include:**

- \* Indian coastal operations
- \* Agricultural multicrop plantation
